LOOKING FOR A SPIRITUAL HOME IN A TROUBLED WORLD?

People come to St. Andrew for many reasons. We are open seven days a week to offer you an abundance of ways to learn, grow and feel at home spiritually.

INSPIRING SERMONS:

Be uplifted and comforted by Christian messages and thought-provoking sermons that can help you discover relevant spirituality for today's world.

MUSIC & THE ARTS MINISTRY: Express your love for singing or passion for music through our sixteen choirs and musical groups for all ages. Join a close-knit community of singers and musicians who perform a variety of works year-round, from rock to Bach.

CHILDREN'S MINISTRY: Imagine learning bible stories through art, cookery, computers, art, games, music, science and storytelling. Our kids participate in mission education experiences and benefit from a variety of learning opportunities for the whole family. Preschoolers grow in faith, relationships and skills at our popular Children's Learning Center for ages one through five. Our children's music program begins at age four. Loving, safe childcare is provided during St. Andrew worship services, classes and meetings.

YOUTH MINISTRY: Looking for a safe, healthy environment where the teenagers in your house can grow in their faith and relationships with peers and adults? Young people from many area middle and high schools participate in our vibrant youth programs offering church-related activities nearly every day of the week. Teens enjoy Sunday morning and evening programs, mission trips, music and drama programs and other positive experiences.

everyone, every day!

CONGREGATIONAL CARE MINISTRY:

Get help with many of life's inevitable challenges — marriage, parenting, grieving a loss, or searching for a job.

FELLOWSHIP OPPORTUNITIES:

All ages experience Christian fellowship through activities ranging from softball to cross-country skiing and dinner groups to get-togethers for moms and kids.

Meet critical human needs, instill hope and help others grow in self-sufficiency while we grow in discipleship through community projects here and abroad.

OLDER ADULT MINISTRY: Find fellowship and support through our spirited Prime Timers and Sage-ers groups.

SINGLES MINISTRY: Enjoy enriching Bible Study and book discussions. Participate in a wide variety of fellowship and mission experiences.

UNITED METHODIST WOMEN: Join a community of women who put faith into action through mission projects, Bible study, fellowship and study circles, and quilt making for babies.
